Evening Course of Business Japanese [every Monday to Thursday / 7:00pm - 8:30pm (90 minutes)]

Also recommended for:

- ☐ Those who look for a job in Japan.
- ☐ Those who wish to improve their Japanese levels and change job fields.
- ☐ Those who want to improve their business Japanese skills.
- ☐ Those who want to learn the Japanese expressions and nuances required in business situations.
- ☐ Those who want to improve their abilities to speak and express themselves in a variety of situations.
- It also can be used as a Japanese language training for foreign employees.

Curriculum: Focusing on daily conversation and business communication skills

Beginner

Beginner I: Aiming to be able to communicate in Japanese without hesitation. Using useful expressions to survive in daily scene, combining with very simple vocabularies, while learning basic Japanese knowledges.

Beginner II: Increasing vocabularies and expressions you can use, and building up your basic Japanese skill through more extensive conversation practices than Beginner I level.

Intermediate

Intermediate: Improving the quantity and quality of communication skill to be able to communicate in a wider range of situations. You learn introductory business Japanese such as Japanese business manners and commonsense as subjects.
