

**ISI Global Fair**

『Theme～ Start **SDGs** from Scratch～』

2021年 **2月14日 (Sun)** 11:00～14:00 Place : Online Fee : Free

## Let's Depict our Sustainable Future !

SDGs are international goals for creating a sustainable and better world.  
Let's learn a lot about SDGs while interacting with Japanese people!

Time	Schedule
11:00-13:00	<p>「Start SDGs from Scratch」</p> <ul style="list-style-type: none"> <li>● 「Introduction to Fairtrade Food products which connect to the world」 We will learn about Fairtrade from scratch!</li> <li>● 「Apprehensions on the sea problems ～Think future plan of the fish～」 We will think about current sea problems and solutions for the future!</li> </ul> <p>※We will proceed <b>only in Japanese</b>. Please participate with your understandings.</p>
13:00-14:00	<p>「International Exchange Meeting ～Hi Japan! Welcome Party～」</p> <p>Japanese students will welcome international students! Let's talk a lot! <b>You can talk in either Japanese or English!</b></p>

For details, please see the website from the QR code on the right.

### Contact

The ISI Global Education Center is an organization established with the purpose of giving young people around the world who are involved in Japan "awareness" and "hints" to become "global human resources who will lead the next generation." We hold international exchange events and various seminars and lectures related to global education.
